

Orvis Risner Elementary
End of the Year
Schoolwide Title 1 Assessment Instrument

How has your child benefited from attending Orvis Risner this year?

- His behavior has greatly improved. The teachers have work very well with us.
- Mrs. ____ is great at teaching responsibility! Another good year at EPS! Thanks!
- Yes, she has benefited from attending Orvis Risner.
- She loves to read and before had no interest in reading! I think her teacher was VERY influential in her reading.
- Her reading skills have improved tremendously, as well as her general level of skills. The need for my child to have extra attention with reading was recognized early in the school year. In turn she was put into the school reading program and is becoming an excellent reader!
- Yes
- My child has grown in every subject this year. She had excellent guidance at Orvis Risner
- Her reading and math skills have improved. She had someone to help her in math, and I was very thankful for that! Mrs. _____ is a wonderful teacher!
- He has been encouraged to get involved and do his best. We will miss Orvis!
- It has been a remarkable experience for both of us. She is my foster daughter and will not be attending OR next year, but I know this last year and a half will stay with her forever. Thank you for everything!
- ____ has become an exceptional readers! Thanks to Mrs. ____ for a wonderful year.
- My daughter is reading at a higher grade level than she is in.
- He's learned how to read, write and do math. We loved Mrs. _____ and her commitment to learning
- He has had such a great year. I have seen him grow and learn weekly. Mrs. ____ is a wonderful teacher. Always full of energy and loving to all of the children. We have been so lucky to have her teach our son this year.
- Learned to read and write at a faster pace than expected...she enjoyed this class a lot, and even more, the teacher.
- He has progressed due to his language therapy and is a better behaved child. He has learned a lot from new and useful special needs education.
- Her speech has improved drastically. A big huge "Thank you" to Mrs. _____ and ____ for the instruction and guidance they have given _____.

- Marked improvement in behavior; larger and more varied words attempted in vocabulary, greater understanding of socially acceptable behavior.
- He had come a long way from the start of school and he is talking so well now.
- We are very excited and pleased with ____ progress over this past year. ____ has gone from hardly reading a sentence to reading an entire book! We are very excited about keeping up our reading this summer and we as parents are thankful that you not only have a wonderful learning facility for our son during the school year but that you also provide a summer program! Thank you!
- Our child has benefited from attending Orvis Risner in many ways. The staff was very helpful to fulfill his special needs and also the enrichment program. Thanks so much for all your help. Have a good summer!
- She is learning more.
- Great year. Big progress in every area. Big Thanks!
- He has grown socially and intellectually from a wonderful school/learning environment.
- _____ has benefited by having caring teachers who have helped her throughout the year.
- She liked it and got a good education.
- Good! The teacher is very helpful.
- She made big strides this year in both reading and math. We are especially grateful for Mrs. ____ and her listening ear.
- My child has most definitely benefited from attending OR. The professional staff is to be commended. I would like personally thank my child's teacher for her unbelievable patience, understanding and the incredible, creative atmosphere she provided for my child and the children in the class.
- Yes, Mrs. ____ is a wonderful teacher. She treats the children with kindness and respect. She also appreciates the parents involvement within her class.
- Wonderful teachers and staff have allowed my daughter to grow in many ways.
- ____ has loved his teacher and enjoys the classroom very much. Thank you Mrs. ____ for taking time with ____.
- Working one on one with reading each day with his teacher.
- Had a great year!
- I have been very impressed by OR. Having a school counselor on site is extremely beneficial. We love Mrs. ____.
- His reading and spelling have gotten better and all of his teachers were very helpful to him.
- Very well!

- Made new friends and is learning life skills, compassion, awareness of others and their differences; problem solving with friends. ____ enjoys school! She has developed a love for reading.
- He improved his reading, geography skills and also learned to help, understand and care for others.
- His confidence has grown; he's reading by himself and is reading better. His speech is clearer than it has ever been. I am so very thankful for ____, _____, _____, _____, _____ and all of the other people who love my son everyday. The people at Orvis have been a blessing, a gift from God to our son and our whole family. Thank you all.
- My son has learned so much this year. He is reading so many words.
- OR is a great school!
- Thanks for a good year!
- ____ learned numbers and letters. She even can read some words.
- She liked the school and it has a lot of education.
- Social skills are excellent, his language, speech, everything has really helped my son. Thank you Mrs. ____ for all you have done, thank you for the patience with my son even on not so good days. Thank you.
- I have been very pleased with _____ involvement in your class. I appreciate how Mrs. ____ has helped her grow as a student and as a person.
- I feel like she got the extra help she has needed. I really appreciate the homework targeting skills but not having to fight daily for 3-4 hours after daycare and school. My child benefited and really blossomed from this.
- His reading is great. Math is getting better. Mrs. ____ is a great teacher. Thank you Mrs. ____ for pushing my child.
- Extra support was great.
- ____ has made yearly satisfactory progression at OR. Each teacher has made him a better student through their commitment, dedication and passion for teacher. Every year ____ has been fortunate to have a teacher that he truly enjoys and that's very welcoming and kind to him.
- She really enjoys going to school and absolutely loves her teacher, Mrs. ____.
- My child has a higher reading level because of the focus put on the reading log. He really enjoys reading now. Mrs. ____ challenged the class with various homework projects and reading lots. I feel this has prepared him to enter third grade with ease.
- Yes. He has learned a lot academically and learned a lot of street sense on the playground. Mrs. ____ has kept me up on all of his progression and all of his downfalls. We've worked together all year week in and week out. Thank you for Mrs. ____ she is outstanding!
- By having wonderful teachers - Mrs. ____ is great. Orvis is a school. Educational curriculum is good and the kids learn a lot.

- How involved the administrators are in the learning process. My son has also improved with reading. The whole school has helped him to enjoy reading.
- I have been very pleased with Orvis Risner this year.
- My child has benefited from his teacher's non-nonsense policy on the completion and timely turning in of his homework. I want to express my thanks.
- Yes, very much so.
- She has become a great reader due to the dedication of her teachers.
- My son benefited a whole lot. He really learned and did his best at Orvis Risner School. I really appreciate his teacher in everything she did to help my son progress, and kept it up. We will miss you and Orvis Risner too. Thank you.
- ___ has a wonderful teacher! She has learned so much!
- ___ has become so much more responsible and respectful. He has learned so much by attending OR. He comes home and shares with us what he has learned every day and he is excited about going to school and sharing his experiences at school with us.
- Her social skills are much better.
- My child has not only grown in all of her subjects but she has also grown in areas like friendship, helping others and not being afraid to speak out for someone when they can't or don't speak out for themselves. I think that these things are important for our kids to know.
- Mrs. ___ provided independent reading books for ___ to bring home that were on her individual reading level. Mrs. ___ took the time to meet in child's need academically and socially. She was always great about communicating with us.
- They have been very proactive with my child's reading. I really enjoy the school and the staff. I'm looking forward to next year.
- Great year!
- Yes!
- My child was challenged academically at Orvis. He also was exposed to a wide variety of learning/teaching styles, personalities and experiences. He not only grew and excelled academically, but also socially. Orvis provided a good balance for developing the whole child.
- I feel that Mrs. ___ has adequately assisted my son to better prepare him for middle school. I also feel that my son has learned and exemplified his leadership qualities and has had a wonderful time sharing those with others in the OR community.
- He has made immense progress this year. His teacher is awesome. She has the passion and gift for teaching. I'm very pleased.

- I believe OR is such an excellent school. My children get all the attention they need. The teachers are great, and the staff is really nice to everyone, and do all they can to help.
- My child has benefited a lot from OR this year. The teachers and staff are doing a fantastic job. Thank you.
- _____ had a great year. He learned good study habits and he really enjoyed school. Mrs. _____ has done an exceptional job with _____.
- My son loves attending OR. He has enjoyed his teacher.
- She learned some math skills, her reading improved.
- My child learned a lot at OR this year. I hope she'll learn as much next year.
- Yes, His overall performance and education he received this year has been to my satisfaction. Thank you Mrs. _____ for your kindness and patience with my child.
- Our family has for a few years now contemplated moving since me and my wife have lived here since 1994 and seen Edmond explode. However, knowing that our children attend OR and that OR drives excellence has been enough for us to deal with the population boom of Edmond. It has been worthwhile!
- Mrs. _____ has been an incredible presence for my daughter _____. For that matter, I think she should be teacher of the year!
- Strong leadership, great teachers, well-organized school work. It was a great last year at Orvis. Although we didn't need to use all of the new programs, I love that they are available - especially the social worker and school nurse.
- Thanks for a great year!
- He has been more enthusiastic about attending school and enjoys the work he learns.
- _____ can read out of a Sequoyah book as a kindergartener. I have seen so much improvement from my child this year. Keep up the good work.
- In so many ways, the administrators and faculty are exceptional. Both my girls have excelled and enjoy going to school. I am especially thankful for the support system by being a parent with a child who was in special ed. She learned so much, but through patience and gentle caring of her, she is going to regular classes armed with knowledge to help her progress.
- We enjoyed Orvis Riser. _____ loved _____. We are thankful there is an on-site school counselor. _____ is wonderful.
- As a parent, I talk about the quality of education that child receives is exceptional. Also, his teachers have made a huge difference. Thank you Mrs. _____ for your help in helping _____ develop not just academically, but socially.
- He's become more independent and seems to enjoy taking on the responsibilities of homework and school assignments without too much

parental involvement. Thank you to Mrs. _____ for being such a positive influence on _____ this year.

- Good, solid teaching and structure during 4th grade. She loves both her teacher and Eagle's Nest staff. She has learned a great deal this year.
- She has benefitted in so many ways this year. A few are the wonderful teachers, the Title 1 program and tutoring programs that are designed to help students succeed. _____ has come so far with her reading. She went from not wanting to pick up a book to reading two of her summer books the first night.
- _____ really enjoyed third grade. He liked his teacher and seemed eager to learn this year. I would like to commend _____ for doing such an excellent job challenging her students! My son has frequently commented that she's "like the smartest teacher at our school!"
- Art classes, some especially effective communication techniques, parent involvement, fun activities, caring and kind teacher. I appreciate _____ calmness and ability to create a pleasant atmosphere for learning.
- Confidence in math building skills
- OR has a friendly staff, always greeted with a smile when visiting.
- _____ learned multiplication and division and she learned some science.
- _____ has benefited a lot. I never thought she would overcome what she didn't know, but she did. I am very proud that I chose this school for her. I knew when school starts back she will be better than before. Thanks a lot for helping her this year.
- He has excelled in reading and math. I like the fact that his teacher was able to control her class and be firm but caring at the same time. She did not make me feel as if there was no hope for my child.
- Great year/big progress in every area. Big thanks
- He is learning how to play with other children and to read.
- She has learned to read. She has learned math. This year at Orvis has been a very positive experience for her.
- She is a reader and thinks about other children. I love Mrs. _____ and we will truly miss her.
- Great year!
- Very well, he has learned a lot.
- _____ has progressed in so many ways. He continues to blossom since he's been attending Orvis Risner.
- _____ has been improving all year and is more confident in different areas. I believe his social skills have improved some as well. I'm only disappointed that our transfer was rejected, so he will not be attending Orvis next year. I know he will miss it.
- He learned a lot of stuff going to Orvis Risner School this year. That's really helped him to go forward in his life.

- She has learned patterns, letters, shapes and helped me teaching her the alphabet and writing her name. Having a teacher like _____ for her makes her want to learn - with the enthusiasm Mrs. _____ has.
- She's become more confident and willing to learn. We absolutely adore Mrs. _____.
- Her writing, drawing and reading skills have skyrocketed. Her confidence has grown as well. We are very pleased with all aspects of our experience at Orvis Risner.
- My daughter has learned so much this year with an emphasis on alphabet, sounds, writing, reading and art. She really enjoyed her year and introduction into her formal education with _____.
- _____ enjoys learning and is more receptive to learning at home. She enjoys reading and coloring and is interacting well with other children.
- Yes, _____ has really enjoyed going to school.
- Learning how to act at school. Learning the basics: color, numbers, letters, etc. He has become excited about school every day! _____ loves school, meeting new friends and his teachers! We love Orvis Risner!
- My child has grown emotionally and socially this year. Also, she has become more independent.
- She is learning to follow directions which she never did.
- I do believe so. She shows great improvement.
- My son has grown so much this year. He has learned so much, he is writing well. _____ are wonderful teachers. They are both so patient and kind. My son loves school.
- Yes! Thank you!
