

Cruise on Down!

Join us this summer for Edmond Public Schools'
Summer Celebration, 2016

If you can't go to the beach,
"Cruise on Down" and join us for fun in
the sun at EPS Summer Celebration!

SESSION I June 6-16

SESSION II June 20-30

CLASSES MEET MONDAY-THURSDAY!

Class Times: 8:30 a.m.-12:15 p.m.

Breakfast: 8:00 a.m./Lunch 12:15 p.m.

ATTEND Summer School at
Ida Freeman Elementary/501 W Hurd

ENROLL for Summer School 2 options

- 1) Online payment
 - 2) Mail Tuition Check or Cash to
Centennial Elementary
- Enrollment information located
on the back of this form!

Summer Celebration offers free breakfast and lunch to any child attending summer school. Please indicate your plan for participating in the breakfast/lunch program on this enrollment form. Students may enroll for one or both sessions. Please indicate your alternate choice in the event your first choice is full. Early enrollees receive top priority in class choices. Enrollments are based upon the grade the student will be entering during the next school year. Tuition costs \$160 plus a \$5 supply fee for each class/each session (\$170 plus \$5 supply fee out-of-district).

*Enrollment Information and payment options
located on the back of this brochure*

- Get the scoop on #Twitter and #instagram!
- Internet Safety!
- And much **more!**

See what the creators of Facebook, Apple, Twitter, and Microsoft have to say!

If you love playing with computers and iPads, then you'll love

Trekking Through Technology!

Taught by: Courtney Dinwiddie & Patty Robison

Good Eats & A Cookbook of Treats

Offered 2nd SESSION ONLY for students entering 2nd-6th
Hey students...

If you enjoy cooking and want to learn tips to be a **FOOD NETWORK STAR**, this class is for YOU!

Learn how to create delicious recipes to gobble up as you create a summer 2016 cookbook!

- ⌘ Learn to follow recipes/directions
- ⌘ Use you math skills to measure ingredients
- ⌘ Read and interpret recipes
- ⌘ Use a digital camera and Microsoft Word to make your cookbook worthy of a **FOOD NETWORK STAR!**

Taught by: Jane Williams and
Rebekah Williams

WACKY WEATHER!

FIRST SESSION ONLY-- for students entering 2nd-6th grades

Have you ever wondered what causes clouds, rain, tornadoes, hurricanes or even blizzards? How DO meteorologists PREDICT weather patterns? You won't leave this journey empty handed!

MAKE 3D CLOUDS, A PET TORNADO, WEATHER INSTRUMENTS, AND MAKE IT RAIN INSIDE! Safe severe weather practices will be taught, and we will make a Safety Kit for your own weather shelter at home.

A LOCAL METEOROLOGIST will join us to talk about his/her job and answer questions! When it comes to weather, we don't monkey around in Oklahoma!
Taught by Stacey Ruston

Full STEAM Ahead!

Offered both sessions students entering 2nd-6th grade

Parachute building! Catapult Creations! Coding! Space Exploration! Glider Challenges & more!

These are just a few of the exciting things you will get to create in our class! Come join the fun this summer!

Girl Power!

Offered Both Sessions!

Calling all girls going into 2nd-6th grade!

Themed days led by a variety of specialists!

- *Appropriate hair care & fun with makeup!
- *Healthy food & fitness routines!
- *An artist teaching arts & crafts
- *A "scientist" leading science experiments including making your own lip gloss
- *A Police officer teaching personal safety (internet & stranger danger)

In this class, we will...

✓ Use iPads and technology to create a Pinterest Board to share with friends!

✓ Make a tie-dye t-shirt!

✓ Design and decorate your own tote!

✓ Make and design your own jewelry!

To conclude the session students will participate in a "Tea learning etiquette & increasing self-esteem!"

Taught by: Kim Terrell & Leah DeGiacomo

KIDS JUST WANT TO HAVE FUN!

Offered BOTH SESSIONS- for students entering 1st -5th

Shake, Rattle and Roll! Who wants to have FUN this summer? Hip, hop your way into a summer full of fun and learning!

Wouldn't it be exciting to build your own **VOLCANO**, watch it erupt or make a famous Oklahoma tornado? Boogie on in and giddy-up through the summer making **tie-dye and reverse stencil shirts, string and scratch art, LAVA LAMPS, kaleidoscopes and much more!** Twist and shout and enjoy our famous **chemical pie, handmade ice cream and lemonade.**

Doesn't this sound like a great way to spend your hot summer days? So, ROCK-ON and join us to **sharpen your science, social studies, reading and math skills.**

Taught by: Kendra Bigelow & Debbie Crouch
