

**Edmond Public Schools
Student Technology Protection Plan
Grades 6th - 12th**

As part of the Edmond Public Schools Digital Conversion, students will be issued a technology package: a Chromebook, charge cord, and protective carrying case. The Edmond Public Schools *Student Technology Protection Plan* has been established to give parents the option to purchase protection covering the repair or replacement costs of the technology package. The cost for the protection plan during the 2017-2018 school year is **\$30 per student**. *This is a voluntary program and families are strongly encouraged but not required to participate.* For those who opt-in, the protection plan must be purchased preferably at schedule pick up or **BEFORE the student takes possession of the technology package.**

Protection Plan Coverage:

If purchased, the *Student Technology Protection Plan* covers the technology package items as follows:

- **100%** of the **FIRST** incident of damage or loss (including theft**)
- **50%** of the **SECOND** incident of damage or loss (including theft**)
- **0%** of any additional incident of damage or loss (including theft**)

After two incidents, the parent/guardian is responsible for **all** repairs and replacement costs.

Protection Plan coverage will be **from date of issue through the last day of school, Spring 2018.**

Protection Plan claims of **theft must include a **completed police report** and be signed by a parent/guardian.

Evidence of intentional damage or signs the Chromebook was not regularly carried in the district-issued case will not be covered by the insurance.

Item	Without Protection Plan	With Protection Plan		
		1st Incident (100% covered)	2nd Incident (50% covered)	3rd Incident (0% covered)
