

Edmond Public Schools is a GSuite for Education (Google) district!

Noteworthy about GSuite in Edmond Public Schools:

- Staff have access to the full suite of Google apps, including [email](#) and [calendar](#).
- Staff and students have unlimited file storage with Google [Drive](#).
- All students have an Edmond-Google account, most commonly used to access Google Drive.
- Only secondary students (grades 6-12) have access to Google *mail*. These students can only email within the EPS domain (i.e. other Edmond Public Schools users).
- No EPS students have access to Google Calendar. (Secondary students utilize the calendar within [Canvas](#).)

Login Info:

- Edmond-GSuite accounts are synced with staff and students' network username and password (what you use to login to a district computer).
- When you change your network password, it will automatically update your Edmond-GSuite password.
- Staff GSuite usernames are **First.Last@edmondschools.net**.
- Student GSuite usernames are **FML1234@edmondschools.net** (the student's initials and the last four digits from their ID number)
- **Note:** If you *forget* your *network* password, you can either (a) use the Password Reset Portal, (b) call the Technology Department *from a district phone*, or (c) bring a photo ID to the Technology Department at EPSAC.

For information and tutorials on the *many* Google apps and tools, please visit the [EPS Ed-Tech Resources](#) site.

Do We Want/Need To Keep Any Of The Info From The Current Gmail & Drive Pages?

	<p>As of May 20, 2016, Edmond Public schools converted all staff email accounts to Gmail Google Mail.</p> <p>If you have forgotten your Edmond-GSuite password, please use a personal email account to send your request for a password reset to emailhelp@edmondschools.net Your response and temporary password will be delivered to the personal address you provide.</p> <p><i>Note:</i> Access to your Groupwise Offline Remote is only available from your district workstation.</p>
	<p>Accountability and H: Drive access through Webtrekker are no longer available as of July 1, 2016.</p> <p>We recommend utilizing Google Drive and your district Gmail account to access documents from locations other than your district workstation.</p> <p>Getting Started with Google Drive</p>
