

## **GIFTED & TALENTED EDUCATION PROGRAM**

The Edmond Public Schools will provide educational programs for children in pre-school through twelfth grade who have been identified as “gifted and talented.” Procedures for identifying and the means of serving students in gifted education programs will comply with Oklahoma Statutes (OS 70-1210) and as articulated in the District Plan for Gifted Child Educational Programs (“District Plan”).

The Board will appoint a Gifted/Talented Program Advisory Committee according to specifications of Oklahoma Statutes. The Advisory Committee will review the District Plan on an annual basis prior to October 1 and revise as needed.

The Board authorizes the Superintendent/Designee to forward a copy of the District Plan to the Oklahoma State Department of Education each year as required by law. However, members of the Board of Education are to be provided a copy of the plan, including any revisions, to review prior to its submittal to the State Department of Education.
