

LETTER, ACADEMIC LETTER REQUIREMENTS

The letter will be awarded only once. Students maintaining the requirements for the academic letter in successive years will receive a bar to place on their letter. The letters and bars will be awarded in the spring of the year based on the cumulative fall semester grades and the previous grade point average, beginning with the fall semester of ninth grade.

Students must have been in attendance in Edmond Public Schools for two full consecutive semesters to be eligible to letter academically. The principal may waive the two semester rule for a student who is a new enrollee during the senior year. Academic requirements for lettering:

- 10th grade: Must have a cumulative semester grade point average of 3.75 in all solid subjects with NO semester grade lower than a "C".
- 11th grade: Must have a cumulative semester grade point average of 3.75 in all solid subjects with NO semester grade lower than a "C".
- 12th grade: Must have a cumulative semester grade point average of 3.75 in all solid subjects with NO semester grade lower than a "C".
