Susan Sawyer Biography

Susan Sawyer is the Elementary Math Content Specialist. She has a BS in Elementary Education from Cameron University, a BA in piano performance from Southwestern Oklahoma State University, and a Master’s in Education from Southwestern Oklahoma State University.

Susan’s teaching career began in the 3rd grade classroom in Carnegie, Oklahoma where she also taught 5th grade language arts, 6th grade math and science, and was gifted and talented coordinator.

After moving to Edmond, Ms. Sawyer taught 6th, 7th, and 8th grade math, Algebra I, Geometry, and was the Title I Math Instructional Coach.

In her role as Elementary Math Content Specialist, Susan works with all elementary schools in the district on all matters related to math content and curriculum. She provides professional development, meets with teachers regularly to address needs, and provides a variety of math resources to encourage best practices and facilitate lesson planning.
