

## **2018-2019 Technology Responsible Use Agreement for Parents/Guardians in Edmond Public Schools for Students in PreK-5th Grade**

I acknowledge that I have reviewed the *Elementary Digital Conversion Guidebook* at <http://link.edmondps.net/ElementaryDigitalConversionGuidebook>, which details the Digital Conversion objectives and implementation policies.

### **I understand the following are the key expectations and considerations:**

- District technology is intended **for educational purposes only**.
- District users shall have no expectation of privacy when using District technology, and the district reserves the right to monitor all usage of District technology.
- Leave all EPS labeling in place and in its original condition.
- Not add own stickers or markings to the district devices or cases.
- Be a responsible digital citizen, following the “Digital Citizenship Tips” in the Digital Conversion Guidebook.
- Adhere to all technology Board Policies as specified in:
  - **Policy #5720:** <http://link.edmondps.net/Policy-5720>
  - **Policy #4301:** <http://link.edmondps.net/Policy-4301>
  - **Elementary Handbook:** Adhere to all “Information Technology Standards of Conduct”, as found in the Elementary Handbook. [http://link.edmondps.net/ElementaryHandbook\\_2018-2019](http://link.edmondps.net/ElementaryHandbook_2018-2019)

Edmond Public School district uses several computer software applications and web-based services operated by third parties, including but not limited to: G Suite for Education, Infinite Campus Student Portal, Canvas, SuccessMaker, and Seesaw. The district assumes parental permission allowing the school to act as an agent for parents in order to comply with Children’s Online Privacy Protection Act (COPPA). If you wish to revoke the district’s permission, visit the Technology Department at the Edmond Public Schools Administration Center.
