

Johnson O'Malley Program (JOM) May 2020

JOM Mini Camp- It is with much sadness that our JOM minicamp will not be held this summer due to Covid-19. Safety for our students is priority and with schools being closed we must follow procedures that are set in place. We hope that we can plan our summer program for next year.

JOM School Supplies- School supplies for the 2020-2021 school year will be provided but will be processed in a different way. Parents must request a school supplies application at our email address: indianeducation@edmondschools.net by June 17th. A form must be completed and returned to our office so that pre planning can take place. Basic school supplies will be provided. Parents will be notified when school supplies are ready for distribution and the location for pick up prior to school starting in August.

JOM Senior Cap and gown- Our 2021 seniors may request a senior cap and gown application starting August 3rd. You may contact our office to verify if your child is on the JOM program for this service at this time.

Other Requests- please be reminded that we have two programs. Our Title VI program provides additional services such as ACT vouchers, College and Career planning, after school tutoring during the school year and cultural activities.

Office Visits- If you feel that you need to come by the office during summer hours, please call our main line at 405-340-2985 or 405-726-3300 and request an appointment. Safety precautions are being implemented.

The Title VI and JOM programs follows procedures for the Edmond Public Schools and their school calendar for the 2020-2021 school year. Continue to stay safe.
