Student Technology Protection Plan
Grades PreK-5th**

With the continuing need for EPS elementary students to take district devices home, the Student Technology Protection Plan for the second semester has been opened for purchase. The Edmond Public Schools *Student Technology Protection Plan (STPP)* has been established to give parents the option to purchase protection covering the repair or replacement costs of the technology package. The cost for the protection plan for each semester of the 2020-2021 school year is **\$12.50 per student**. *Families are strongly encouraged but not required to participate in this voluntary program.* Payments for the protection plan will be accepted online via the InTouch system beginning Monday, December 7, 2020 through Friday, January 15, 2020. The plan is effective from the date of purchase through the last day of school.
