Visual Art Sampler with Rebecca Courtney

Session 3, Grades 3-5

Try a variety of materials/mediums in this fun week of exploring art! We will work with painting, fiber arts, sculpture, printmaking, and drawing. Then, let's mix it up with some mixed media! Surf into summer with imagination and creativity. 12 spots are available for this session. Must have 10 students for the class to make.

Farm To Table with Marlena Butler and Laura Scott

Session 1-4, Grades 2-5

In this interactive session, students will learn the importance of farming while growing their own plants and cooking foods from the garden. We will take our farm to table foods and use them to grow our knowledge in math, reading, science, and economics. Students will learn how farms support our communities, how to grow their own ingredients in practical ways, and how to use those ingredients in the kitchen. 30-40 spots are available for this session.

Must have 20 students for the class to make.

Kids In The Kitchen with Carrie Wilson and Melissa Hardy

Session 1-4, Grades K-5

In this hands-on course, students will not only learn to read and write recipes, but will participate in making the food as well. This will allow the students to practice in following directions and will teach helpful life skills that include reading, writing, math, and kitchen safety! Must have 20 students for the class

to make.

Marvelous Movie Making with Steven Fletcher and Bill Glover

Session 1 & 2, and 3 & 4, Grades 2-5

In this two week session, you will combine movie making and reader's theater to bring comics to life. Skills you'll learn include filming, editing, directing, producing, stunt work, costuming, sound design, acting, and scriptwriting. Come and learn all these skills and more! There will be a performance on the last day of each 2 week session. Plus you will have access to the movie that you make. 30 spots are available for each two week session. Must have at least 20 students per session. Sessions last 2 weeks (this session will be a 2 week tuition rate).

Mindful Make & Takes with Krystal Williams

Session 2, Session 3, Session 4, Grades 3-5

Do you like dressing in comfy clothes and doing yoga? Do you like making crafts that would help you be less stressed? If the answer is yes, then Mindful Make- N-Takes is the summer school class for you! In this class, we will start off our time unwinding and learning some different mindfulness techniques/exercises. We will then be creating a different craft that you can make and take home with you. By the time you leave, you will have crafts and a toolbox full of strategies to help you be more relaxed and less stressed in your everyday life!

Recycled & Environmental Art with Linda Lyle

Session 1-4, Grades 2-5

We will be creating art from discarded materials and objects found in nature. Bring water and a healthy snack daily. We will spend some time outdoors but the majority of our class time will be in the classroom. If you have discarded objects like empty boxes, small bags, old keys, bottle caps, jar lids, etc. you may bring these items to add to our creation pile. 15 spots are available each session. Must have 10 students for the class to make.

Yoga, Stories & Play.... Oh My! with Lauren Riley
